

SOHM, Inc. Expands Its Advisory Board, Appointing Dr. Krishna Bhat, M.D, Ph.D., FACC, as Chief Medical Advisor

CHINO HILLS, Calif., Aug. 24, 2023 (Globe Newswire) –via IBN —SOHM, Inc. (OTC PINK: SHMN), a pharmaceutical, nutraceutical and cosmeceutical company that manufactures and markets generic drugs covering numerous treatment categories, announces today the appointment of **Dr. Krishna Bhat, MD. Ph.D., FACC.**, an experienced bioscientist and cardiologist, to serve on the company’s Advisory Board as a Chief Medical Advisor.

Baron Night, SOHM president and CEO, said **Dr. Bhat** has a cardiology practice of over 35 years in the field of Clinical and Interventional Cardiology. He is a recipient of the 2021 Hall of Fame Award from the American Heart Association, which states: “In recognition of your commitment to excellence in the field of Cardiovascular Care through your leadership as an outstanding physician, researcher, and educator.” Dr. Bhat also received the Miles Canada Fellowship Award and J. Louis Levesque Fellowship Award from Montreal Heart Institute, Montreal, Canada.

“We are delighted to have Dr. Bhat join our advisory board,” Night said. “Dr. Bhat brings valuable experience and expertise in the field of cardiology, which will support our planned acquisition of ABBIE Technology and its innovative patents, clinical trials, diagnostic kits and cardiac treatments. Dr. Bhat is a renowned Clinical and Interventional Cardiologist who has authored over 16 medical scientific publications. We look forward to benefiting from his insights and guidance for our current and future pipelines.”

“I am delighted to join SOHM, Inc. and contribute to its vision of excellence,” said Dr. Bhat. “As a longtime shareholder of the company, I am impressed by its recent progress and growth. I believe that the acquisition of the “ABBIE Technology and Patents” from Dr. David Aquilar will create new opportunities and advantages for SOHM. I am also eager to see the development of the plant at San Diego, which will enable faster and better production of new products with the latest technology and increase the current revenues.”
