

# SOHM, Inc. Shares Progress On its Manufacturing Facility and Other Projects

CHINO HILLS, Calif. / — December 13, 2022 – SOHM, Inc. (Pink Sheets: SHMN) (the “Company”), a generic pharmaceutical, nutraceutical, and cosmeceutical company that manufactures and markets generic drugs covering numerous treatment categories, announces today some important updates.

Mr. Baron Night, CEO, stated that the manufacturing facility activities are going as planned. The fund for the facility is envisioned from its current, and future revenues as the Company has ongoing various purchase orders. The arrangement of the funds from its cash flow is planned and allocated in case the other funding is delayed for any reason. The Company anticipates using them to expand the state-of-the-art facility in a phased manner.

The Company’s funding actions are ongoing, as previously announced and appropriate due diligence for all its forthcoming pipeline projects, including the manufacturing facility, is in progress. Mr. Night, CEO, added.

As the world is going through economic challenges, supply chain issues, foreign exchange problems, and low demand for some of its prescription products in the USA market, the Company’s revenues and growth have also been affected. As a result, we are also impacted; however, due to our timely strategic actions, and collaborations, we have been able to sustain our stability, growth, and expansions, Mr. Baron Night, CEO, added.

Mr. Baron Night shared that SOHM can finish its targeted projects efficiently, as shared earlier. The Company plans to update its stakeholders about the new outlook after this significant development in the new year 2023.

Management continues its assurance that SOHM will achieve its target for higher revenue growth and has many more exciting updates in the year 2023.
