

SOHM Inc., Signs Strategic Alliance with Manufacturing Unit in Southern California To Increase Revenue.

Partnerships and Alliances To Strengthen Market Penetration and Revenue Growth in Year 2017 and beyond.

Chino Hills, CA — April 27, 2017 – SOHM, Inc. (PINKSHEETS: SHMN), a manufacturer of generic drugs covering all major treatment categories in Pharmaceutical, Nutraceutical and Cosmeceutical drug products announced today that it has signed a strategic alliance with a manufacturing unit in Southern California. This alliance strengthens SOHM's manufacturing capabilities within the United States for distribution and export to other countries.

The company expects partnerships and alliances to strengthen market penetration and revenue growth in key emerging markets within the United States through its distribution channels. Alliance allows SOHM to double pharmaceutical production capability, reduce costs by several percent, increase profitability and restore its lost revenue from recent years. This alliance will make a positive impact on SOHM's revenue by the end of Q3.

The strategic alliance with this manufacturing house currently has a range of 90 products covering major therapeutic categories. SOHM will utilize its spare manufacturing capacity of the manufacturing house.

“The manufacturing house facilities can produce all essential products in the dosage forms including tablets, capsules, flavored nutritional powders, sports energy drink powders, oral liquids, ointments, creams with excellent packing facilities, this will allow SOHM, Inc, USA to fulfill its growing market demand in the coming season and achieve the manufacturing volume growth needed to fulfill future purchase orders. This step also align company with current focus of USA to “Manufacturer in USA” by the government of USA and this will help to reduce operating costs and increase profitability.”
