

SOHM, India Expands Manufacturing Facility Offering Full Service Pharmaceutical and Nutritional Product Production

BUENA PARK, CA, May 25, 2010 – SOHM, Inc. (Pink Sheets: SHMN), a generic pharmaceutical manufacturer that produces and markets generic drugs covering all major treatment categories, announced today that it has expanded its pharmaceutical and nutritional manufacturing operations in Ahmadabad, India by opening a new facility to handle its nutraceutical product production. The facility adds 4,420 -sq.-ft. of manufacturing space and will employ additional laboratory staff. This facility will specialize in nutritional products and allow SOHM's licensed generic pharmaceutical manufacturing facility to process its generic drug orders exclusively.

“The new nutritional manufacturing facility and laboratory staff is complimentary to our pharmaceutical manufacturing facility and will allow for rapid turnaround and competitive pricing as our purchase orders continue to increase,” stated Shailesh Shah, Vice President for Corporate Strategy at SOHM, Inc. “We anticipate sales volume to continue to climb and our combined manufacturing facilities allow for scalability of operations as SOHM strategically positions the company as a full-service pharmaceutical and nutritional enterprise.”
