

SOHM Projects 2012 to be another Record Revenue Year

SOHM Expects revenue to more than double by end of 2012

BUENA PARK, CA—(Marketwire – February 25, 2012) – SOHM, Inc. (PINKSHEETS: SHMN), a generic pharmaceuticals, and nutraceutical company that manufactures and markets generic drugs covering all major treatment categories, today announced its financial outlook for Year 2012:

Ø SOHM planned outlook for year 2012 is to generate \$2,900,000 in revenue with profitability. SOHM project a continued revenue growth during 2012 as similar to previous years. SOHM projected \$1,250,000 for 2011 and by-passed that projection and generated \$1,349,341 in revenue in the fiscal year of 2011. Actual revenue was an increase of \$567,666 that is an improvement of 72% as compared to revenue of fiscal year 2010. By end of fiscal year 2012 SOHM projects revenue growth of more than 100% as compared to 2011.

Ø During 2012 company has planned this exponential growth of over 100% in revenue expansion of its infrastructure, growth of distribution network and increase of products in generic drugs, nutraceuticals and dermatology division. The company is actively looking at several acquisitions to increase product range and revenue growth.

“All the way through 2011, we progressed to raise our revenue by attaining significant growth in our marketed products nationally as well as globally. We expect a similar type of pattern during 2012”, commented Mr. Shailesh Shah, Sohm Inc. President and CEO, “As anticipated, we are getting substantial benefits from the recent acquisition and development, buttressed our management potentialities. SOHM Outlook 2012 is to execute successful business strategies.”
